MA 114-Electronic Health Records- Mimi Pentz- Fall 2024

*** Part A: Your Plan DIRECTIONS 1. Choose three of your course outcomes to assess and report on this term (these will also be used in your Student Course Evaluation survey): Outcome #1**

Describe the basic content of a typical electronic health record (EHR).

*** Outcome #2**

Complete clinical documentation in the patient record.

*** Outcome #3**

Use the electronic health record (EHR) to perform reimbursement procedures.

Have you completed an assessment for this course prior to this term?

No

If yes, are you assessing different outcomes?

Yes

Comments:

(No response)

2. To which degree(s) or certificate(s) does your course map? Degree, Certificate, & Program Outcomes

Medical Assisting Certificate

*** Method of Assessment 3. What methods will be used to assess individual student understanding of each of these outcomes? (Please be specific.) Outcome #1: Method to assess student understanding**

Answer theoretical and application multiple-choice questions on the basic content of a typical electronic health record (EHR).

*** Outcome #2: Method to assess student understanding**

A computer program will simulate an electronic medical record, with individual and combined assignments demonstrating students' ability to perform clinical documentation.

*** Outcome #3: Method to assess student understanding**

A computer program will simulate an electronic medical record, with individual and combined assignments demonstrating students' ability to perform clinical documentation.

*** 4. How will you know if you were successful in your efforts to teach this outcome? Outcome #1:**

100% of students will achieve a 70% or higher on test questions related to physical examinations and surgical techniques (Chapter 3 Quiz(zes)).

*** Outcome #2: How will you know if you were successful in your efforts to teach this outcome?**

90% of students will achieve an average of 70% or higher on all simulated Electronic Medical Record assignments.

*** Outcome #3: How will you know if you were successful in your efforts to teach this outcome?**

90% of students will achieve an average of 70% or higher on Final Exam: Simulated EHR assignments

5. Instructor Questions: Create two course specific questions to be included on the Student Course Evaluation. Question #1

If offered would you have utilized Zoom Office hours

Question #2

Do you feel the EHR assignments were well distributed throughout the term? Was there a specific week that was overloaded?

Do you require the names of students who complete the course evaluation survey? (Please note: names will be sent to instructors the Thursday before term ends)

NO

Reminder, when completing Part B, instructors will be asked the following questions: Describe anything you did to assist the institutional effort to support students in improving achievement of the specified criteria for the following Institutional Learning Outcomes (ILO): 1. ILO#1 - Communication - "Content Development" and/or "Control of Syntax and Mechanics" 2. ILO#2 - Critical Thinking/Problem Solving - "Evidence" and/or "identify strategies" 3. ILO#4 - Cultural Awareness - "Openness" (Encouraging our students to "Initiate and develop interactions with culturally different others") 4. ILO#5 - Community and Environmental Responsibility 5. ILO#3 - Quantitative Literacy - "Application/Analysis" and/or "Assumptions"
